Program Outcomes and Evaluation Narrative

This section should provide information and statistics relative to the outcomes, indicators/objectives, data collection and evaluation processes for the **specific program** for which you are requesting funding. Part two, questions 1-4 below, must be completed on no more than two (2) pages. The Logic Model attachment will not count in the two page limit.

Complete the **Logic Model spreadsheet** included as Attachment 17 to this application, and then answer the additional four questions below.

1. Discuss program outcomes. What difference this program will make in your clients' lives? (Outcomes are changes in client knowledge, behavior, skills, attitude values, condition or status.)
2. Discuss your data collection plan. Refer to methods, instruments (survey, interviews, tests, logs, etc.) and procedures for collecting data and your process for analyzing the data.
3. How will the evaluation results be used?
4. Describe any links, partnerships or collaborative efforts that you expect to impact program outcomes.
